Dear Sir or Madam,

Under the slogan "LET THE PLANET SHINE", the 49th Traditional International Gathering of Children of Europe – Joy of Europe will be held in Belgrade, from October 2nd to 5th 2018. The founder and general sponsor of the International Gathering of Children of Europe is the Belgrade City Administration, and the executive producer is the Children's Cultural Centre of Belgrade. The manifestation has been granted the EFFE 2017-2018 label of quality by the European Commission.

Eligible participants at the "Joy of Europe" festival are art schools, cultural centers, studios, clubs, associations, but first and foremost groups that have achieved remarkable results at national and international competitions, festivals, and similar.

Stage performance can be presented in the form of dance (classical, traditional, jazz or contemporary dance), music (vocal group or choir), as well as multimedia performance.

Visiting groups can have no more than 15 children participants, from 7 to 14 years old, as well as 2 adult group leaders. Children will be accommodated in host families from Belgrade schools, with children of their age, one child per family, because the point of these gatherings is making friends and developing lasting friendships, as well as getting acquainted with new and different cultures. The organizers cover the expenses of half board accommodation for the two adult group leaders.

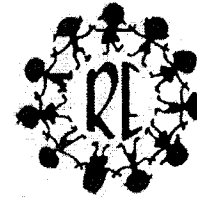

The participants cover the expenses of transportation to Belgrade and back, and should they choose to use their own bus during the event, the organizer will cover fuel expenses during the event, as well as the accommodation for two drivers.

The 49th Joy of Europe will be dedicated to environment protection, as one of the priority issues connecting children of the world, developing ecological consciousness and responsible relation toward the planet Earth and its resources. It is our wish that children and their educators be inspired by natural beauty, energy of the Sun, waves, water, wind...by recycling, or free interpretation of manifestation slogan in preparation for the Gala concert, stage performance permitting. Theme can be interpreted widely, in accordance with artistic sensibility of the group.

Each country can only be represented by one group of performers. The selection of registered groups will be done by the Board of manifestation and the groups will be informed about results by the beginning of June.

Basic program units of this manifestation are:

1. CARNIVAL - formal parade of participants in costumes through the city center;
